

Does Michigan need jobs?

Business Capital + Skilled Workforce = Jobs

Ohio = Business Capital Magnet

Michigan = Business Capital Repellant

Our ONLY chance now is to implement the MI FairTax as proposed and do BETTER than they are!

Subject: Learn How Ohio's Sweeping Tax Reform Enhances Global Competitiveness

 **Ohio** State of Perfect Balance.

**Ohio's Sweeping Tax Reform=
Global Competitiveness**

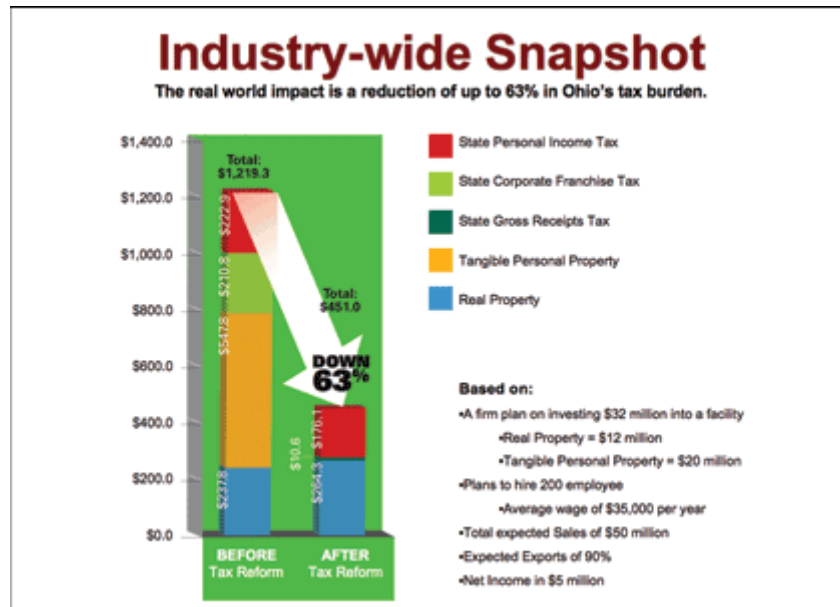

Soon, Ohio's corporate income tax will be completely eliminated, making it just one of two states in the nation without a general tax on corporate profits and without a general tax on tangible personal property.

By allowing companies to reduce costs and maximize profits, Ohio is becoming the ideal location for your clients to compete in the global economy.

Investment decisions are rarely made based purely upon brick and mortar. Instead, a multitude of variables are considered that influence ROI and the overall bottom line.
